The O'Hare Noise Compatibility Commission provides a public forum to address community noise issues related to aircraft operations at O'Hare International Airport. The Commission recognizes that public input is important and appreciates your cooperation by following these guidelines. Maintaining the decorum of ONCC meetings is of the utmost importance and unacceptable behavior by committee members or the public will be addressed in the following manner:

- Any person making offensive, insulting, threatening, insolent, slanderous or obscene remarks or who becomes boisterous, or makes threats against any person or against public order or security while in the meeting shall be removed at the direction of the presiding officer from further audience unless permission to continue is granted by the majority vote of the committee/commission.
- Comments are limited to those which address meeting agenda items, or those that are included as part of the Commission's Work Plan, which focuses on aircraft noise mitigation and abatement at O'Hare International Airport.

- If you wish to address the ONCC, you must be present and complete the comment card outlining the question or area you wish to address. Before making comments, identify yourself to the Chair and Commission members by stating your name and address.
- Comments beyond ONCC's purview will not be allowed to be verbally given, but a written set of comments may be submitted for consideration to be added to the meeting minutes.
